REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Barnwell High School is pleased to report its annual report card as we continue our tradition of excellence. Barnwell High School continues to make satisfactory progress toward state and national educational goals.

The 2007-2008 school year was another progressive year at Barnwell High School. Academic achievement and stellar accomplishments again showcased Barnwell High School as one of the best small schools in the state of South Carolina. Our SAT scores showed a fifty-two point gain. The graduating class received in excess of two million dollars in scholarships, with 42% of our graduating class attending four-year colleges and 9% attending two-year colleges. Barnwell High School is proud to announce nine Palmetto Fellows, thirty-eight Life Scholars, six students attending the Governor's School for Academics, two attending the Governor's School of the Arts, and one student attending the Governor's School of Math and Science.

Furthermore, twenty-three students were inducted into the National Honor Society. The debate team won major awards in extemporaneous speaking, poetry, and impromptu speaking. One student advanced to nationals in drama presentation. The "Scarlet Knights" Marching Band continued its legacy of excellence by winning awards at various competitions statewide. The "Models of Perfection" step team won several awards throughout the year. Our Student Council was recognized at the state level for hosting one of the most successful drives for Muscular Dystrophy. Additional successful drives included Secret Santa Campaign and Canned Food Drive.

The athletic programs were awe-inspiring to say the least. We were named the Region 5AA Champions for girls' tennis, boys' tennis, boys' golf, varsity baseball, and girls' soccer. The Industrial Technology Program garnered several awards for its participation in robotics competitions all across the southeast. The JROTC unit again was recognized as an "Honor Unit of Distinction".

Our parent and student organizations continue to be strengths of our school. The School Improvement Council continues to be a committed group of parents, students, teachers, and community members that work hard to improve our school. All of our booster organizations worked diligently to produce an environment where students are connected to the community and dedicated to academic excellence. The Warhorse Club and Band Booster Club continue to provide avenues for parental involvement and support for our programs.

It is our belief that we will continue to improve as long as we work together with our students as our focus. We are continuing to yield the types of program results that will position us closer to state and national benchmarks. We look forward to the upcoming school year and the challenges that face us. It is with confidence that we commit to serving our students and community in providing the best educational opportunities possible. Barnwell High School continues to provide all of the added ingredients for a quality and comprehensive education.
